Hi Ben,

We need an additional \$6 million which will include travel and overtime and excluding ERRS.
Thanks.

Missy Milbeck, Comptroller

U.S. Environmental Protection Agency

Region 6 - Dallas, TX

Thank you Missy! Quick question, are you saying you need an additional \$6M or your's will be included in our \$6m action memo request?

Subject: **Information needed for Gold King Mine release**

Ben and Laura-

Great discussion this morning. We have confirmed that the 9R funds can be used for payroll (YAY).

As you are gathering your estimates, please be sure to include what is listed below. OEM will need these estimates and timeframes before we can go forward to the Budget office.

1) the amount estimated for extramural for R8 and if this includes work in R 6&9, if not please include their estimates; **\$6 million without ERRS. NOTE: We will use R8's estimate on ERRS costs.**

2) the amount estimated for overtime for R 6,8 & 9; **\$2.06 million for 60 people**

3) the amount estimated for site travel for R 6, 8 & 9; **\$582,400**

4) Timeframes. If you can segment the work/ needed resources or estimate this much payroll, travel, contractor costs etc will get us through ? **This is from the inception to September 30th.**

Thanks

-lisa
